

Private client and trusts talent recognised in Chambers HNW Guide 2024

July 2024

Collas Crill's Private Client team has once again featured in the Chambers High Net Worth Guide, the guide for go-to individuals and firms in the private wealth sector.

The Jersey and Guernsey teams maintained their band 2 and 3 rankings within the offshore trusts category.

Five individuals been singled out for their expertise in the area.

Guernsey Partner Angela Calnan has been promoted to band 2, with Group Partner Cerisse Fisher and Cayman Counsel Sally Peedom both being individually ranked for the first time - up and coming for Cerisse and star associate for Sally.

Partner and Head of Private Client and Trusts in Jersey, Damian James, and fellow Jersey Partner Victoria Yates have maintained their individual rankings - band 3 for Damian and band 2 for Victoria.

The Chambers High Net Worth Guide provides an in-depth analysis of the market and ranks the top lawyers and law firms for international private wealth. The guide is used by family offices and professional advisers to high net worth and ultra-high net worth clients around the world.

The rankings are based on independent research including interviews with lawyers, family offices, tax advisers, accountants, investment managers and bankers for a comprehensive view of the private wealth sector.

Global Head of Private Client and Trusts Christian Hay said: 'These rankings highlight the strength and depth of our growing private client team. We pride ourselves on being easy to do business with and providing exceptional client service. Reading some of the feedback in the HNW Guide it is pleasing to see that these are strengths recognised by our clients. Particular congratulations go to Cerisse and Sally for their new rankings, which are very well deserved.'
