

Collas Crill builds on strong rankings in 2025 Chambers UK Guide

October 2024

Collas Crill's Guernsey and Jersey teams have upheld the firm's rankings across all practice areas in the 2025 Chambers UK Guide, with a notable promotion to Band 3 for Jersey's corporate and finance team.

There were some firsts for individuals with David O'Hanlon being ranked in Band 3 and Alex Price as an Associate to Watch.

The directory demonstrates Collas Crill's market leading positions in dispute resolution, property and private client work.

Group Managing Partner, Jason Romer, said: 'These rankings build on our strong foundations and give a real indicator of our position within the offshore legal industry. I am delighted to see the continued hard work of our corporate team in Jersey being rewarded with a promotion to Band 3.'

'As a firm we pride ourselves on being easy to do business with, providing an exceptional service to our clients, delivered by brilliant people. We are committed to investing in our people so it is great to see such longstanding members of the firm like David getting the credit he deserves, along with Alex who is one of our next gens and equally deserves this recognition from Chambers.'
