

Collas Crill partner shortlisted for three Citywealth Powerwomen awards 2020

August 2019

Collas Crill Partner Kellyann Ozouf has been shortlisted for three of Citywealth's Powerwomen Awards 2020.

She is shortlisted for: Inspirational Woman of the Year, Woman of the Year - Business Growth (Mid-size) and Woman of the Year – Professional Services.

Kellyann said: "It's an honour to have been recognised and shortlisted within three categories of the awards, and I hope this inspires the younger generation of female lawyers in particular."

Already a renowned name within the Citywealth Awards, Kellyann was previously named as the 2016 Lawyer of the Year IFC - Partner, as well as Inspiration Individual of the Year in 2017.

The awards are now in their seventh year, spotlighting individuals and companies who support caregiving responsibilities, female leadership, and celebrate diversity.

By recognising these individuals and the companies they work for, the awards aim to create a platform for best practice to collectively exercise positive social influence in the sector.
