

Freedom Asset Management

August 2016

Collas Crill acted for Freedom Asset Management on the establishment of the Freedom Global Victory Fund.

The transaction involved the restructuring of an existing Cayman Islands corporate and limited partnership structure into a cell of a Guernsey Protected Cell Company (PCC).

The deal, worth around \$80,000,000, required liaison with Collas Crill's Cayman team, investor notifications and regulatory approvals.

The Collas Crill team included group partner in Guernsey, Paul Wilkes, and Cayman partner and senior associate, Alan de Saram and Gareth Morgan, respectively.
