

Collas Crill moves to state of the art Gaspé House

December 2017

In what has been a very exciting year for our firm and, following the expansion of our Jersey office we are excited to announce that we are moving to state of the art premises, Gaspé House.

Based on the Esplanade, the iconic Gaspé House was built by developers Dandara and completed for occupation at the end of last year.

The 'Grade A' office space, with its open plan design and contemporary client area, marks a commitment to our Jersey team as we continue to expand our global footprint.

The move represents our ambition and growth as a global offshore law firm and is a reflection of our modern and forward-thinking brand.

From the 18 December 2017, our address will be:

Gaspé House
66-72 Esplanade
St Helier
Jersey
JE1 4XD

On Friday 15 December our office will close at 1pm. Staff will be available on email and our phones will be diverted to our Guernsey office if your enquiry is urgent.
