

Collas Crill shortlisted in Citywealth awards

July 2016

Collas Crill has been shortlisted for the Guernsey Law Firm of the Year award at the 2017 Citywealth International Financial Centre (IFC) awards.

Now in their sixth year, the IFC awards were established to highlight the excellence of advisers and managers in the private wealth sector in the major financial centres.

The awards are judged by an international panel of practitioners from all sectors, working with advisors in all the relevant jurisdictions. Additionally, members of the public can also contribute through an online vote which will carry the weight of one additional judge.

Channel Islands Head of Fiduciary at Collas Crill, Angela Calnan, said: "Being shortlisted is a testament to the hard work, enthusiasm and dedication of our fiduciary team which has experienced year on year growth for the last four years.

"The continued endorsement from Citywealth and the nominations that we have received can be attributed to the bespoke service that our firm delivers."

Collas Crill Trust has also been shortlisted for the Guernsey Trust Company of the Year award.

The awards will be presented on 19 January 2017. You can vote for Collas Crill here:
