

Collas Crill makes senior appointment to award-winning fiduciary team

February 2016

Kerrie Le Tissier has been appointed as a senior associate in Collas Crill's award-winning fiduciary practice group.

Kerrie joins the firm from Bedell in Guernsey. She has considerable offshore experience, having worked with other leading Channel Islands firms for a number of years. She specialises in advising trustees, businesses and high net worth individuals on private client structures (including trusts and foundations) and, having also previously worked as a corporate and funds lawyer, she has a particular niche in advising on corporatised family wealth.

Collas Crill Group Partner and Head of Fiduciary, Angela Calnan, said: "2015 was a significant period of growth for our fiduciary team and this year also promises to show a substantial increase in work across the Islands. Kerrie's experience, knowledge and excellent reputation will allow us to service the increased number of instructions we are receiving without compromising the high standards of client service that Collas Crill is known for. I am certain that Kerrie will be a valuable asset to our team and we look forward to welcoming her to Collas Crill."

Kerrie is acknowledged as a 'Prominent Figure' in the 'Leading Lawyers' category in the 2015 Citywealth Leaders List and was credited as one of the "Top 35 Under 35" by Private Client Practitioner in 2013 and 2011.

Collas Crill was named STEP Legal Team of the Year (midsize) 2015/16 at the STEP Private Client Awards in London last year – the only offshore firm to be nominated in that category and Angela Calnan is a Presiding Judge at this year's STEP Awards.
